Benefits of Aussie hosting.

Did you know 76% of Aussies want their website hosted in Australia, why is this?

- **Data Sovereignty** - Australia cares about your privacy as well as security, and Australian hosting, compared to other countries, will keep much more of your data private and secure.
- **Lightning-fast speed** - Your data will be hosted on rock-solid servers at the Equinix SY3 Datacenter in Sydney, you'll be guaranteed ultra-low latency transit and superb network performance.
- **Support** - Our team operates from Surry Hills, when you call us for help our local team are here to help.
